A LETTER FROM OUR PRESIDENT

Dear Sisters & Friends,

Here it is, the 2024 Phi Sigma Rho Foundation Annual Report, and the last of my tenure as President of this organization. This past year has been a year full of milestones and learnings for the Phi Sigma Rho Foundation and we could not be more thankful for all the ways our sisterhood showed their support for the Foundation.

As an organization, we stepped into the year with a goal to raise \$40,000 for the future of our sisterhood, and you responded with enthusiasm! Every donation, message shared, letter sent, conversation had, and engagement with posts helped share our mission to support

Phi Sigma Rho and the communities we serve and get in front of new audiences. We are so thankful to have reached this milestone before Phi Sigma Rho's 40th birthday! Thank you to the Foundation Board members, Abby Schwartz, Rashmi Drummond, Christine Jackson, the Sorority Board and staff, and all who helped make this possible.

I'm excited for all Phi Sigma Rho has to come in 2025. We will celebrate 40 years of sisterhood at the National Convention, and welcome new Boards of both the Sorority and the Foundation. As the DreamGirls Initiative acquisition by the Sorority is fully solidified, we will make changes to the DreamGirls Grant to best support the sisterhood, the new SAM Scholarship will be released, and we look forward to expanding the ways we can support the future of women and underrepresented genders in engineering and technology through philanthropy. We will also celebrate many of our volunteers' life milestones, with retirements and expansion of families ahead!

Over the past 11 years, I am so grateful for how being a volunteer has helped me grow both personally and professionally. Being in this role has taught me a lot about passion, resilience, collaboration, and moving the needle forward for the betterment of the whole. I could not have made it this far without the amazing volunteers that I've worked with along the way from our Phi Sigma Rho sisterhood. Thank you to all of the sisters, vendors, and now friends I've worked with for making this experience one of a kind. I have high hopes for Phi Sigma Rho in the future and look forward to the continued alum experience moving forward.

Please enjoy reading about the Phi Sigma Rho Foundation and our work in 2024. We appreciate that you are here and your time. Together, we can build the future.

Janelle Becker

President, Phi Sigma Rho Foundation

WHO WE ARE

About Us

The Phi Sigma Rho Foundation was founded and incorporated in 2005 as a 501(c)3 organization to give members and friends an opportunity to support Phi Sigma Rho and women in engineering through charitable and tax exempt gifts.

Our Mission

The Phi Sigma Rho Foundation exists to promote social responsibility, personal integrity, and lifelong enrichment by providing professional, educational, philanthropic, and leadership development opportunities for the members and friends of Phi Sigma Rho.

Our Vision

Advancement of Phi Sigma Rho Sorority and its community through the encouragement of selfless giving.

Our Motto

Building The Future, Together

STRATEGY & FOCUS

Diverse Funding Programs

Create new avenues of member support

Digital Transformation

Optimize online requests and communications

Philanthropy & Service

Build and aid the STEM community

Operational Excellence

Implement comprehensive organizational improvements

Voice of Donors

Sustain and improve supporter relationships

Vision for the Future

Scholarships

Foundation scholarships not only acknowledge academic excellence. They focus on leadership, community impact, and the unique qualities that make each Phi Rho an outstanding contributor to the STEM community. We aim to endow all scholarship funds to provide them in perpetuity, as well as expand the number of scholarships offered.

Philanthropy

Beginning in 2015, the Foundation has united the philanthropic efforts of Phi Rho sisters to maximize our impact for the Leukemia & Lymphoma Society.

The Foundation is energized to expand our areas of impact by uniting sisters' philanthropic initiatives to support STEM education & awareness to women, girls, and other underrepresented genders. We're focused on supporting initiatives in this area, such as the DreamGirls Program that empowers and supports girls & young women to build the next generations of women in technical careers).

Grants

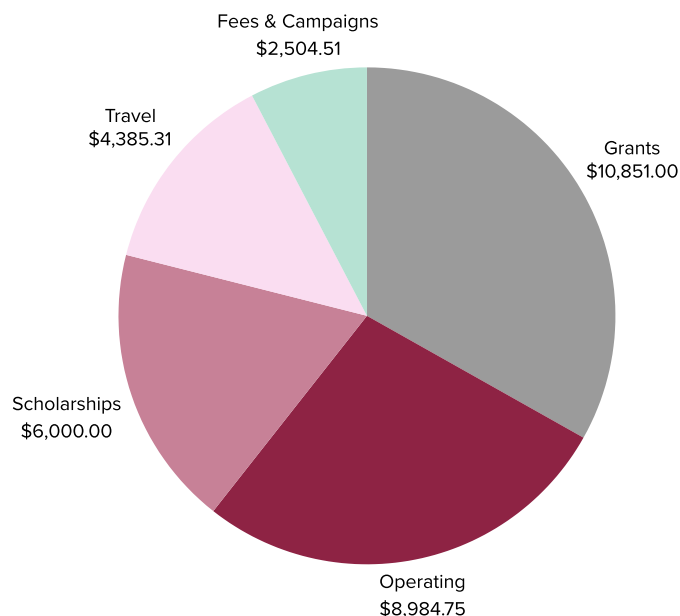

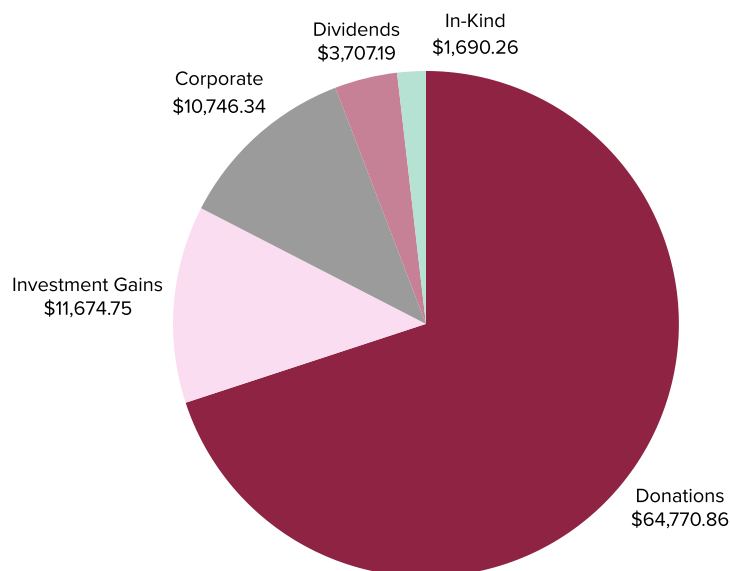

Grants provided by the Foundation focus on promoting leadership, social responsibility, innovation, creativity, and excellence in science and engineering. We aim to increase ways in which we support Phi Rho sisters at various aspects of life through diverse grants and increased funding for existing programs.

FINANCIAL OVERVIEW

January 2024 -December 2024

2024 GRANT PROGRAMS

Foundation Grants impact more sisters each year than any other Foundation program. Our three unique grants provide a diverse range of development opportunities that impact our sisters and the greater community of women & underrepresented genders in STEM.

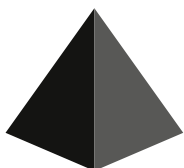

DreamGirls Grant

DreamGirls Grants will provide service and leadership opportunities for active and alumnae organizations of Phi Sigma Rho to support the next generation of women in engineering through engineering-focused programming for middle school girls. These programs will be transferable to schools, Scout trips, community shelters, and more! Dream Girls in Action and DreamDay programming through the DreamGirls Initiative are fundable programs through this grant opportunity.

EDGE Grant

The Engineering Development and Growth Experience (EDGE) grant program, inspired by Rosie & Alex Krob, supports collegiate Phi Rhos involved in hands-on science and engineering-based projects that will ultimately develop their leadership, financial, and project management skills, with fundable programs such as building go-karts, robotics, rocketry, and more. Through the EDGE Grant, the Foundation aims to create women leaders through hands-on experiences prior to entering their professional field.

LEAP Grant

Leadership Education and Programming (LEAP) Grants impacts more sisters each year than any other program. These grants cover the educational costs of conferences, conventions, regional meetings, and webinars hosted by the Sorority each year. Programs covered by the LEAP grant include speakers, panels, and leadership development workshops.

2024 GRANTS IN ACTION

LEAP Grant

Awarded to Phi Sigma Rho National Sorority

Phi Sigma Rho National Sorority utilized the LEAP grant to host a keynote session by professional speaker, Tina Rae VanSteenbergen at the 2024 Phi Sigma Rho Virtual Conference.

Tina session “What’s Love Got To Do With It? Building Real Confidence in Sorority Life” taught actives and alums all about

confidence – what is is, why it’s important, how to feel confident when it’s not easy, and how to help our sisters be their most confident selves. She explained why we have to do more than simply love one another and that genuine empowerment is an action that is done on purpose.

Houston Alum Organization Chapter Fund

Providing the Texas Leadership Scholarship

The Houston Alum Organization was the first to establish a Chapter Fund through the Foundation. Chapter Funds support individual chapter needs for educational and charitable programs, including local scholarships, conference costs, drug, alcohol, diversity and cultural trainings, local service and more!

The Houston Alum Organization provides the Texas Leadership Scholarship to a member of University of Houston or Texas A&M Phi Rho to further their studies.

2024 GRANT RECIPIENTS

EDGE Grant Projects

Buckeye Space Launch Initiative

The Ohio State University - Beta

The Project

Engineer rockets as part of the Buckeye Space Launch Initiative. The grant enables the sisters to travel to New Mexico & complete in the 2024 Spaceport America Cup, the largest intercollegiate rocket engineering competition in the world!

ANNUAL SCHOLARSHIPS

Leadership Scholarship

Awarded to a sister who is a leader in their chapter and community. They demonstrate this through encouragement and mentorship of others and through meaningful participation in Phi Sigma Rho.

Merit Scholarship

Given to a well-rounded sister who has excelled academically. They promote the ideals of the sisterhood by being a positive influence through their chapter and community as a representative of Phi Sigma Rho.

Philanthropy & Service Scholarship

Recognizes a member who actively supports and participates in acts of philanthropy and service. They show this through their acts of community service, leadership skills, volunteerism, and meaningful participation in Phi Sigma Rho and other activities.

Anne Louise Roach Legacy Scholarship

Made to recognize the first traditional mother-daughter legacy of Phi Sigma Rho between Jennifer and Anne Roach, the ideal recipient personifies what it means to be a Phi Rho through their acts of friendship, dedication to scholarship, & displays of encouragement. The recipient must be a legacy member as defined by Phi Sigma Rho sorority (daughter, mother, sister, cousin, aunt, or granddaughter of another member), and must currently be pursuing and undergraduate or graduate degree in engineering or engineering technology.

Francis J. Monigan Memorial Scholarship

This scholarship celebrates the legacy of Francis J. Monigan, father of Phi Sigma Rho Gamma Chapter Alum, Heather Monigan. The recipient demonstrates the values Mr. Monigan held most important – grit, compassion, & a desire for helping others – as well as a commitment to engineering and Phi Sigma Rho. While all members are encouraged to apply, a strong preference is given to sisters who are pursuing a degree in an engineering discipline.

Sarah Rogers McClure Memorial Scholarship

The Sarah Rogers McClure Memorial Scholarship recognizes a sister who always puts others first and takes action because it is the right thing to do, not for attention or personal gains. The ideal recipient will also be active in Phi Sigma Rho and participate in community service or other meaningful activities.

Texas Leadership Scholarship

Established with the Houston Alumnae Organization Chapter Fund, the Texas Leadership Scholarship is given to an Texas A&M Alpha-Phi or University of Houston Upsilon sister who is a leader in their chapter and community. They demonstrates this through encouragement and mentorship of others and through meaningful participation in Phi Sigma Rho.

2024 SCHOLARSHIP RECIPIENTS

Courtney Wilmoth

University of Arkansas - Kappa

Leadership Scholarship

"I am so grateful to be the recipient of the 2024 Leadership Scholarship! As a sister of Phi Sigma Rho, I have discovered a passion in mentorship, leadership, and philanthropy. The Kappa chapter has allowed me to represent something larger than myself, has encouraged me to stand firmly in my beliefs, and has given me the support I needed to pursue difficult leadership

positions. Sorority life has been the catalyst for my personal and professional development over the last three years. With this scholarship, I will continue to study at the University of Arkansas with a major in Chemical Engineering and a minor in English Rhetoric for the duration of my senior year."

Madison Thomas

Purdue University - Alpha (Alum)

Merit Scholarship

"I am so grateful for this award! This scholarship will allow me to continue my PhD studies without the stress of the tuition and fees associated. My PhD research focuses on equity in Computer Science. I am thankful for the Phi Sigma Rho Foundation in allowing other sisters and I continue our education through these scholarships."

2024 SCHOLARSHIP RECIPIENTS

Morganne Neuman

University of Akron - Alpha Omega

Philanthropy & Service Scholarship

“This award means so much to me as I pursue my degree in mechanical engineering. I have only a year left of schooling and this honor will allow me to complete the home-stretch! I have been paying for my higher education myself, and I have had to heavily rely on wonderful

opportunities such as this. I truly could not be more grateful to be recognized and chosen for this award.”

Brooklyn Wentz

University of Cincinnati - Alpha Beta

Francis J. Monigan Memorial Scholarship

“I am so grateful to be selected for this award and represent the values that Mr. Monigan embodied. Phi Sigma Rho has given me so many opportunities to be able to grow as a leader, an individual, and an engineer. Without the encouragement and support of my sisters, I

would not be the person I am. With the help of this award, I will be able to complete my final year of undergraduate at the University of Cincinnati studying Chemical Engineering. Thank you very much for your support. PRL!”

2024 SCHOLARSHIP RECIPIENTS

Dori Wilson

University of Dayton - Gamma

Sarah Rogers McClure Memorial Scholarship

"I would like to thank the Phi Sigma Rho Foundation & scholarship committee for the opportunity to apply for the Hannah Rogers McClure scholarship. I am very thankful to have been chosen to receive this award based on my integrity and contribution to meaningful

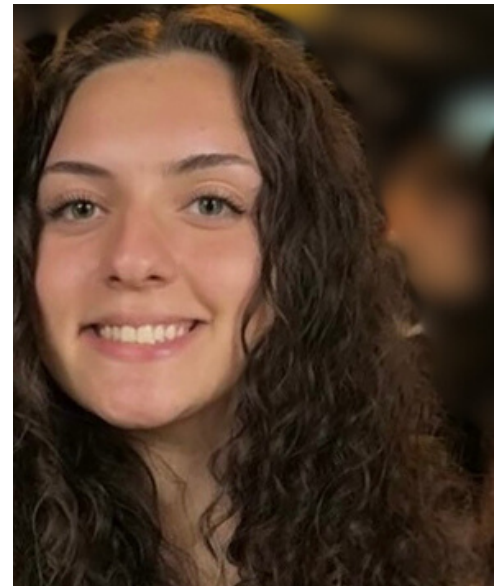

projects. My time in the Gamma Chapter of Phi Sigma Rho has provided me with many great opportunities such as this one and I wouldn't be the person I am today or have been able to apply for and receive this scholarship without those opportunities and my sisters."

Catherine Ardizzone

University of Buffalo - Alpha Omicron

Anne Louise Roach Legacy Scholarship

"Thank you so much for this scholarship. I wanted to thank my big sister Maggie Ardizzone for always being there for me and guiding me through life. Without her I would not be on the track I'm on and would not have been in this amazing sorority. With this scholarship I will be able to fund the last year of my studies. Thank you again."

2024 SCHOLARSHIP RECIPIENTS

Iliana Gabino

University of Houston - Upsilon

Texas Leadership Scholarship

"I am deeply honored and grateful to receive this award from the Houston Alumnae Organization! This recognition means a great deal to me, not only as an acknowledgment of dedication but also as a source of inspiration to continue striving for excellence. It reinforces my belief in the value of perseverance and

commitment to both academic and professional goals. With the support of this award, I can continue my pursuit in Electrical Engineering at UH in the hope of building a better future. I am excited about the new possibilities and am committed to making the most of this opportunity. Thank you once again to the Houston Alumnae Organization for your generous support and for believing in my potential. Go Coogs!"

CAMPAIGN FOR PHI SIGMA RHO: 40 FOR 40

Celebrating 40 Years of Phi Sigma Rho

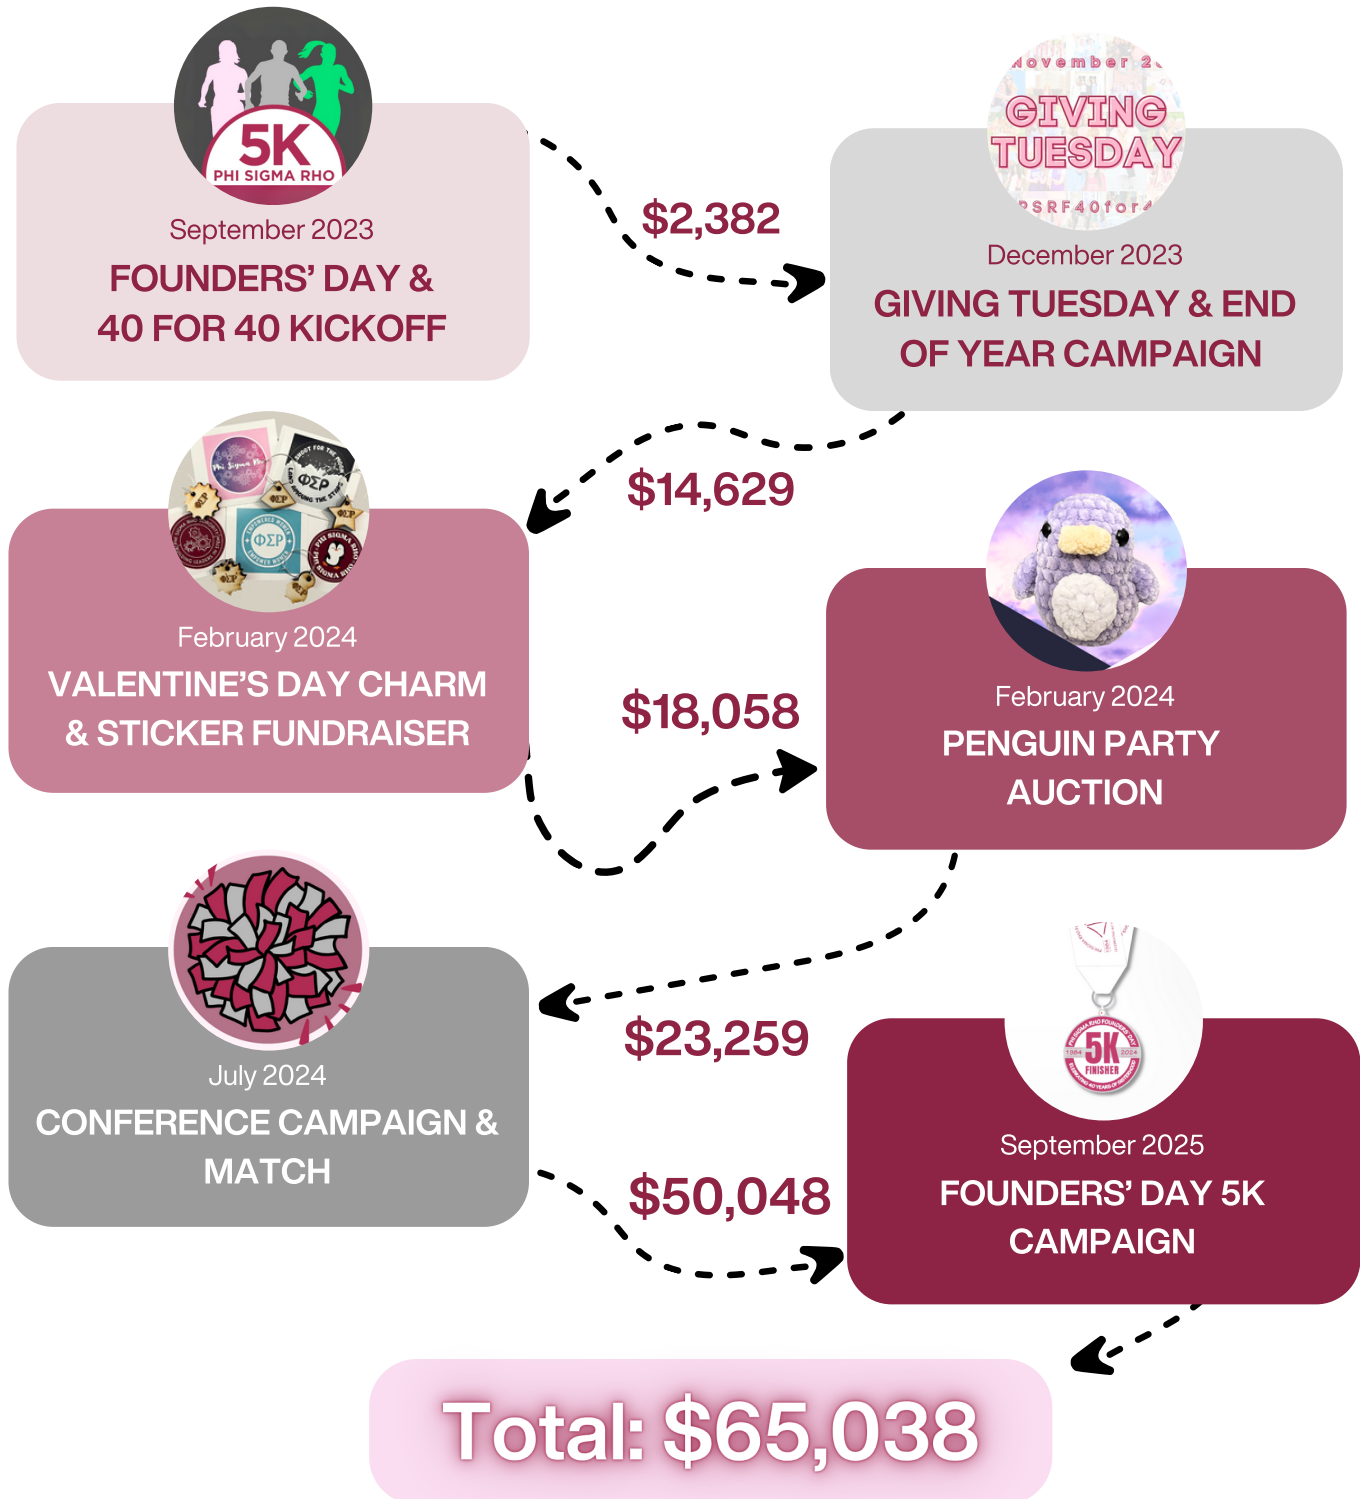

In 2023, the Phi Sigma Rho Foundation embarked on an ambitious campaign to unite alum and collegiate members in supporting the future of Phi Sigma Rho, while building upon the ideals of our sisterhood. Our goal was clear: raise \$40,000 within one year, culminating in the ruby anniversary of Phi Sigma Rho's founding. Thanks to the dedicated efforts of the Foundation Board & our committed volunteers, our sisterhood responded in a powerful way!

We are deeply grateful to supporters who helped us exceed our goal, **raising over \$65,000** in celebration of 40 Years of Sisterhood. This success enables us to invest in the future of Phi Sigma Rho, from empowering future leaders through LEAP grants to supporting the educational journey of our actives through the EDGE Grant and our eight scholarships. We're also proud to assist the next generation of women and underrepresented genders in engineering and technology through the DreamGirls Grants. With over 10,000 sisters across the globe, we are committed to expanding and evolving to best support the Phi Sigma Rho community.

Thank you to everyone who supported the 40 for 40: Campaign for Phi Sigma Rho. This achievement would not have been possible without the unwavering support of our sisterhood, families, and friends. **Thank you for helping build the future with us.**

DONOR PROGRAMS

Penguin Pals

The **Penguin Pals Program (P3)** is designed for college students who want to start making an impact! We recognize that money can be tight in college & developed Penguin Pals to recognize the generosity of students during their undergraduate years.

Sisters become members of the Penguin Pals Program for life by contributing a total of \$100 through their active membership. As a token of our appreciation, these sisters receive a silver penguin charm.

DONOR PROGRAMS

After The Cap & Gown

Our **After The Cap and Gown** (ATCG) program is designed for recent Phi Sigma Rho alum members. The program aims to connect with young alum to continue their support of Phi Sigma Rho and the Foundation.

Sisters who donate a total of \$300 or more within five years of graduation from an undergraduate program joins automatically joins ATCG. As a token of our appreciation for their contribution to building the future with us, members receive a silver pyramid charm.

Does Your Employer Offer A Matching Program?

Matching gifts are a part of most corporate philanthropy programs. When an employee makes a donation to a non-profit organization, the company will also make a donation to match some or all of the employee's donation.

If your company matches your donation, the process to request a matching gift is easy! Many organizations have moved to a simple online submission process, but each company's process varies. Reach out to your employer to find out more about their program!

WAYS TO GIVE

1. One Time or Recurring Gifts

Give online through our quick, easy & secure giving platform, or by mail by sending a check or money order addressed to the Phi Sigma Rho Foundation

2. Matching Gifts

Your employer, or your partner's employer, may offer a gift matching program. These programs can double (or more) your impact! Each company has their own guidelines so ask about yours today!

3. Volunteer Your Time

Time is just as impactful as monetary gifts, as the Foundation is run exclusively by volunteers. Considering volunteering in a short or long term capacity to help the Foundation further its mission.

4. Stock or Security Gift

Deduct your stock donation & avoid paying capital gains tax on appreciated stock when gifted. The Phi Sigma Rho Foundation maintains an investment account through Charles Schwab.

5. Pledges & Endowment Gifts

Spread out a large gift through a pledge or consider a gift for endowment. Endowment gifts provide security over the long term by providing a permanent financial base & predictable source of future income.

6. Planned Giving Through a Bequest

Include the Foundation as a beneficiary in your estate plan. If desired, direct how you would like the gift to be used when you give notification of the bequest.
